## **Make Room**

Family hiding from the storm  
Found no place at the keeper's door  
It was for this a Child was born  
To save a world so cold and hollow

The sleeping town did not know  
That lying in a manger low  
A Savior King who had no home  
Has come to heal our sorrows

Is there room in your heart?  
Is there room in your heart?  
Is there room in your heart  
For God to write His story?

Shepherds counting sheep at night  
Do not fear the glory light  
You are precious in His sight  
God has come to raise the lowly

Is there room in your heart?  
Is there room in your heart?  
Is there room in your heart  
For God to write His story?

You can come as you are  
But it may set you apart  
When you make room in your heart  
And trade your dreams for His glory  
Make room in your heart  
Make room in your heart

Mother holds the Promise tight  
Every wrong will be made right  
The road is straight and the burden's light  
For in His hands, He holds tomorrow

Is there room in your heart?  
Is there room in your heart?  
Is there room in your heart  
For God to write His story?

You can come as you are  
But it may set you apart  
When you make room in your heart  
And trade your dreams for His glory  
Make room in your heart  
Make room in your heart

## **Glory (Let There Be Peace)**

One star burns in the darkness  
Shines with the promise, Emmanuel  
One child born in the stillness  
Living within us, Emmanuel

We're singing glory, glory  
Let there be peace, let there be peace  
We're singing glory, glory  
Let there be peace, let it start in me

One voice speaks for the voiceless  
Hope for the hopeless, Emmanuel  
One love brings us together  
Now and forever, Emmanuel

We're singing glory, glory  
Let there be peace, let there be peace  
We're singing glory, glory  
Let there be peace, let it start in me

Do not be afraid, His love is strong  
Enough to save us  
Nothing stands in the way  
His love is strong enough to lead us

Do not be afraid, His love is strong  
Enough to save us  
Nothing stands in the way  
His love is strong enough to lead us (oh, lead us)

Let there be peace (let there be peace)  
Let there be peace (let there be peace)  
We're singing glory, (oh, we sing glory) glory  
Let there be peace (let there be peace), let it start in me
